LIMITATIONS

BENEFIT SEPARATION PERIOD

Benefit Separation Period
The Benefit Separation Period is the number of days that must elapse between Occurrences of Covered Conditions for a Covered Person as described below in order for a benefit to be payable.

Recurrence Benefit Separation Period
The Benefit Separation Period that applies to a Recurrence Benefit for a Covered Person for a subsequent Occurrence of the same Covered Condition is subject to all of the following:

- a benefit must have been payable for the prior Occurrence of the Covered Condition; and
- the Recurrence Benefit Separation Period must be satisfied in order for a Recurrence Benefit to be payable.

The Recurrence Benefit Separation Period is set forth on the Schedule. The Recurrence Benefit Separation Period is measured from the date of the most recent Occurrence of the same Covered Condition for which a benefit was payable.

Example:
The following example is provided for illustration purposes to explain how the Recurrence Separation Period will be applied and a Recurrence Benefit is calculated as described above. This example does not necessarily reflect the benefits of Your specific coverage.

Recurrence Benefit Separation Period	180 days
Covered Condition A Occurs on January 1st	Initial Benefit paid for Covered Condition A
Covered Condition A Occurs again on March 1st	The Recurrence Benefit Separation Period is measured from January 1, the date Condition A Occurred. Result: The Recurrence Benefit for Covered Condition A is not paid because the 180 day Recurrence Benefit Separation Period had not been satisfied when Condition A Occurred again.

RULES FOR TOTAL BENEFIT AMOUNT AND REDUCTION FOR PRIOR CLAIMS PAID

The Total Benefit Amount that appears on the Schedule is the maximum aggregate amount that We will pay, per Covered Person, per lifetime, for any and all of the Covered Conditions to which this provision applies.

- the benefits available to Your new class are identical to the benefits available under this Certificate.

In all other cases when You move between classes, Your insurance under this Certificate will end on the date You are no longer a member of the class eligible for insurance under this Certificate.

CONTINUATION OF INSURANCE WITH PREMIUM PAYMENT

AT YOUR OPTION: PORTABILITY THROUGH CONTINUATION WITH PREMIUM PAYMENT

If Your insurance ends under the Date Your Insurance Ends provision of this Certificate, in certain situations, it may be continued for You and Your Dependents, as described in this provision. This is referred to in this provision as "Continued Insurance". For purposes of this provision, insurance in effect under the Group Policy for which the Group Policyholder remits premium is referred to in this provision as "Group Billed Insurance".

Except as described below, Continued Insurance is subject to all of the conditions, maximums, limitations, exclusions and Proof requirements contained in the provisions of this Certificate.

Requirements for Continued Insurance

Continued Insurance will be available to You if:

- Your Group Billed Insurance ends for any reason other than:
  - non-payment of premium or Contribution; or

In addition, You may end insurance for any or all of Your Dependents. Please contact Us for information. You may not increase insurance once Continued Insurance goes into effect.

Contributions for Continued Insurance

The Contribution that You must pay for Continued Insurance is the amount of Your Contribution for Your Group Billed Insurance before it ended, plus any amount of premium that the Group Policyholder paid. The Contribution that You must pay for Continued Insurance will be determined on the same basis as premium rates charged for Group Billed Insurance. We have the right to change premium rates in accordance with the terms set forth in the Group Policy. All payments for Continued Insurance must be made directly to Us by the due date specified in the premium notice We send to You.

CLAIMS

NOTICE OF CLAIM

You must give Us notice of a claim under this Certificate by Writing to Us or calling Us at the toll-free number shown on the face page of this Certificate within 30 days or as soon as reasonably possible from the date of the loss.

CLAIM FORM

When We receive notice of a claim under this Certificate, We will provide You or the claimant with a claim form. If We do not provide the claim form within 15 days from the date We received notice of claim, Our claim form requirements will be satisfied if We are provided with the required Proof in support of the claim.

PROOF OF LOSS

Proof must be provided to Us not later than 90 days after the date of the loss. If notice of claim or Proof is not given within the time limits described in this section, the delay will not cause a claim to be denied or reduced if such notice and Proof are given as soon as is reasonably possible, but in no event, other than in the absence of the legal capacity of the claimant, later than 12 months from the date of the loss.

PAYMENT OF BENEFITS

When We receive the claim form and Proof We will review the claim and, if We approve it, We will pay benefits, subject to the terms and provisions of this Certificate and the Group Policy. If We pay benefits more than 30 days after the date We receive the claim form and Proof, We will pay interest at the rate required by Illinois law accruing from the thirtieth day after Our receipt of such Proof to the date that We pay the claim, provided that if such interest amount to less than one dollar it will not be paid.

Unless You have assigned this insurance, all benefits paid under this Certificate will be paid to You, except as follows:

- If You are not alive to receive benefits that are payable to You, We will pay benefits in accordance with the provision below titled Your Beneficiary.
- If You are living when benefits are to be paid to You, but You are not legally competent to claim or receive benefits, We may pay up to $1,000 to anyone related to You by blood or marriage who We believe is entitled to payment of the benefits. If We make such a payment in good faith, We will not be liable to anyone for the amount We pay. Any remaining benefits will be paid to Your legal representative.

If benefits have been assigned, We will pay benefits in accordance with the Assignment provision of the General Provisions section.

YOUR BENEFICIARY

A beneficiary may be named by You to receive a benefit that becomes payable to You under this Certificate that You are not alive to receive.

You may request to change Your beneficiary at any time. A beneficiary change request must be made to Us in Writing. Once the request is recorded, the change will take effect as of the date You sign the request, whether or not You are living when We receive the request. The change will be subject to any legal restrictions. It will also be subject to any payment We made or action We took before We recorded the change. If You designated two or more beneficiaries and their shares are not specified, they will share the benefit equally.

If there is no beneficiary designated or no surviving beneficiary at Your death, We will determine the beneficiary according to the following order:

1. Your Spouse, if alive;
2. Your child(ren), if there is no surviving Spouse;
3. Your parent(s), if there is no surviving child;
4. Your sibling(s), if there is no surviving parent; or
5. Your estate, if there is no surviving sibling.

Instead of making payment in the order above, We may pay Your estate. Any payment made in good faith will discharge Our liability to the extent of such payment. If a beneficiary or a Payee is a minor or incompetent to receive payment, We will pay that person's guardian.

APPEALING A CLAIM DECISION

If We deny Your claim, You may appeal the decision by Writing to Us at the address indicated on the claim form within 180 days of receiving Our decision. Appeals must be in Writing and must include at least the following information:

We will notify You in Writing within 45 days after Our receipt of Your request for an appeal of: (i) Our decision; or (ii) if additional time will be required to complete the review. If additional time is needed, We will notify You of the reason additional time is required.

AUTHORIZATIONS

We may require that You provide authorization for Us to obtain medical information and any other information pertinent to Your claim.

EXAMINATIONS

With respect to a pending claim, at Our expense and as often as is reasonably necessary, in order to substantiate Our Proof requirements:

- We may require a Covered Person to have an independent examination by a Physician of Our choice; and/or
- We may require a Covered Person to have an interview by phone or in person with Our representative.

Failure of a Covered Person to have an independent exam or to be interviewed at Our request as specified in this provision may result in the denial of the claim to which the exam or interview pertains.

AUTOPSY

With respect to a pending claim, at Our expense, in order to substantiate Our Proof requirements, We have the right to make a reasonable request for an autopsy and/or exhumation where permitted by law. Any such request will set forth the reasons We are requesting the autopsy or exhumation.

TIME LIMIT ON LEGAL ACTIONS

A legal action on a claim may only be brought against Us during a certain period. This period begins 60 days after the date Proof is filed and ends three years after the date such Proof is required to be filed.

If, at any time, We determine that benefits paid under this Certificate were more than the benefits due:

- You, or any other person, entity or health care provider to whom We overpaid benefits have the obligation to reimburse Us for the amount of such overpayment; and
- We have the right to recover the amount of such overpayment from You, or any other person, entity or health care provider to whom We overpaid benefits, including offsetting future benefits payable under this Certificate to You or such other person, entity or health care provider by an amount equal to the overpayment.

- the statement is in a form that is in Writing;
- You have Signed the form; and
- a copy of the form has been given to You or Your beneficiary.

We will not use Your statements which relate to insurability to contest this insurance after it has been in force for 2 years, unless the statement is fraudulent. In addition, We will not use such statements to contest an increase in benefits after the increase has been in force for 2 years, unless such statement is fraudulent.

MISSTATEMENTS

If Your or Your Dependent's age is misstated, the correct age will be used to determine if insurance is in effect and, as appropriate, We will adjust the benefits and/or Contributions.

CLAIMS INFORMATION

Critical Illness Insurance Benefits Claims

Routine Questions

If there is any question about a claim payment, an explanation may be requested from MetLife which is able to provide the necessary information.

Claim Submission

For claims for Critical Illness Insurance benefits, the claimant must report the claim to MetLife and, if requested by MetLife, complete the appropriate claim form. Claim forms requested by MetLife must be submitted in accordance with the instructions on the claim form.

Initial Determination

After you submit a claim for Critical Illness Insurance benefits to MetLife, MetLife will review your claim and notify you of its decision to approve or deny your claim.

Such notification will be provided to you within a reasonable period, not to exceed 45 days from the date you submitted your claim; except for situations requiring an extension of time because of matters beyond the control of the Plan, in which case MetLife may have up to two (2) additional extensions of 30 days each to provide you such notification. If MetLife needs an extension, it will notify you prior to the expiration of the initial 45 day period (or prior to the expiration of the first 30 day extension period if a second 30 day extension period is needed), state the reason why the extension is needed, and state when it will make its

determination. If an extension is needed because you did not provide sufficient information or filed an incomplete claim, the time from the date of MetLife's notice requesting further information and an extension until MetLife receives the requested information does not count toward the time period MetLife is allowed to notify you as to its claim decision. You will have 45 days to provide the requested information from the date you receive the extension notice requesting further information from MetLife.

If MetLife denies your claim in whole or in part, the notification of the claims decision will state the reason why your claim was denied and reference the specific Plan provision(s) on which the denial is based. If the claim is denied because MetLife did not receive sufficient information, the claims decision will describe the additional information needed and explain why such information is needed. Further, if an internal rule, protocol, guideline or other criteria was relied upon in making the denial, the claims decision will state the rule, protocol, guideline or other criteria or indicate that such rule, protocol, guideline or other criteria was relied upon and that you may request a copy free of charge.

Appealing the Initial Determination

If MetLife denies your claim, you may appeal the decision. Upon your written request, MetLife will provide you free of charge with copies of documents, records and other information relevant to your claim. You must submit your appeal to MetLife at the address indicated on the claim form within 180 days of receiving MetLife's decision. Appeals must be in writing and must include at least the following information:

• Name of Employee

• Name of the Plan

• Reference to the initial decision

• An explanation why you are appealing the initial determination

As part of your appeal, you may submit any written comments, documents, records, or other information relating to your claim.

After MetLife receives your written request appealing the initial determination, MetLife will conduct a full and fair review of your claim. Deference will not be given to the initial denial, and MetLife's review will look at the claim anew. The review on appeal will take into account all comments, documents, records, and other information that you submit relating to your claim without regard to whether such information was submitted or considered in the initial determination. The person who will review your appeal will not be the same person as the person who made the initial decision to deny your claim. In addition, the person who is reviewing the appeal will not be a subordinate of the person who made the initial decision to deny your claim. If the initial denial is based in whole or in part on a medical judgment, MetLife will consult with a health care professional with appropriate training and experience in the field of medicine involved in the medical judgment. This health care professional will not have consulted on the initial determination, and will not be a subordinate of any person who was consulted on the initial determination.

MetLife will notify you in writing of its final decision within a reasonable period of time, but no later than 45 days after MetLife's receipt of your written request for review, except that under special circumstances MetLife may have up to an additional 45 days to provide written notification of the final decision. If such an extension is required, MetLife will notify you prior to the expiration of the initial 45 day period, state the reason(s) why such an extension is needed, and state when it will make its determination. If an extension is needed because you did not provide sufficient information, the time period from MetLife's notice to you of the need for an extension to when MetLife receives the requested information does not count toward the time

MetLife is allowed to notify you of its final decision. You will have 45 days to provide the requested information from the date you receive the notice from MetLife.

If MetLife denies the claim on appeal, MetLife will send you a final written decision that states the reason(s) why the claim you appealed is being denied and references any specific Plan provision(s) on which the denial is based. If an internal rule, protocol, guideline or other criteria was relied upon in denying the claim on appeal, the final written decision will state the rule, protocol, guideline or other criteria or indicate that such rule, protocol, guideline or other criteria was relied upon and that you may request a copy free of charge. Upon written request, MetLife will provide you free of charge with copies of documents, records and other information relevant to your claim.

Any interpretation or determination made pursuant to such discretionary authority shall be given full force and effect, unless it can be shown that the interpretation or determination was arbitrary and capricious.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for Plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your Plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of you and other Plan participants and beneficiaries.

No one, including your employer or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

Enforce Your Rights

If your claim for a welfare benefit is denied or ignored in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of Plan documents or the latest annual report and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the Plan administrator to provide the materials and pay you up to $110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court.

In addition, if you disagree with the Plan's decision or lack thereof concerning the qualified status of a domestic relations order or a medical child support order, you may file suit in a Federal court.

If it should happen that Plan fiduciaries misuse the Plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court.

The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you have sued to pay these costs and fees.

If you lose, the court may order you to pay these costs and fees; for example, if it finds your claim is frivolous.

Assistance with Your Questions
